Re: Public Records Act Request:

This letter is in response to your Public Records Act received via electronic mail by the Placer County Sheriff's Office on June 5, 2019. Specifically you request the following records:

The total number of sheriff's deputy use of force incidents, broken down by type of force used, between 2013 and 2018 (separated by year).

The total number of people deputies used force against, between 2013-2018 (separated by year)

The total number of use of force complaints reported between 2013-2018 (separated by year).

The total number of use of force complaints sustained between 2013-2018 (separated by year).

The policy manual for the sheriff's office.

The current union contract between the city and any sheriff's deputy/police officer unions.

This office continues in the process of searching for, collecting, and appropriately examining records responsive to your request. Because your request will require a detailed examination of voluminous records, will be in contact with you on or before July 12, 2019 with a more detailed response regarding the availability of the requested documents and the specific exemptions which will apply (Cal. Civ. Code §§ 7,11; Gov. Code §6253(c), (c)(2).) If the information you seek is contained in an electronic format and requires programming to make it available in the format you request, there may be charges for the necessary programming work required pursuant to Government Code section 6253.9.

Very Truly Yours,

Sergeant Michael E. Lyke
Acting Custodian of Records
